1. Two biplanes, one tank truck, one truck, and 15 to 20 soldiers were seen at the Bredow (N 53/2 55) airfield at 11:30 a.m. on 9 October 1950. The biplanes continually made local flights. Three soldiers were in front of a box which had an antenna rod about 4 meters high. The field was guarded by a sentry. Signs indicated that the field was off limits. No Soviets were quartered in Bredow. *
